

Concerned Belizeans Inc. is asking for your support in sponsoring a **Backpack and School Supplies** drive for the children of Belize. The majority of these children come from low income households. Providing these youngsters with basic school supplies and backpacks would be a tremendous help in having them start the school year with the necessary tools to be successful students now and in the future.

If you would like to participate in this years' Backpack and School Supplies drive, please donate \$15, or see the attached document if you would like to purchase supplies in bulk, which will help us purchase more Backpacks and School Supplies for the children at a discounted rate. We are also accepting monetary donations to our Scholarships Fund for the 2009-2010 School Year.

Donations must be made by Friday July 31, 2009 so we can ship these supplies to Belize in time for the Fall school year.

All donations are **Tax Deductible!**

Please visit our website at: www.concernedbelizeans.org

As always, thank you in advance for making a difference to children in the country of Belize.

Please make checks payable to:

Concerned Belizeans Inc.
